

VICTORY

Competitors can try,
but our sealing process
can't be replicated.

SignaKey
Patented
Technology

SIGNED, SEALED, DELIVERED.

Cast aside the copies. Choose factory-sealed performance on the track with Chevrolet Performance, a 20-year supporter and long-standing sponsor of grassroots racing nationwide.

CHEVROLET PERFORMANCE CT350, CT400, AND CT525 CRATE ENGINES*

- Factory-sealed using GM's inimitable sealing process
- Each seal is unique and highly encrypted by **SignaKey**
- Seals are designed to be scanned by officials at each race to ensure a level playing field

COPIES OF CHEVROLET PERFORMANCE CIRCLE TRACK CRATE ENGINE

- Imitations that are not designed, engineered, tested, and built by Chevrolet Performance
- Other brands attempt to copy our seals, but fail to replicate our signature process
- Negatively affect fairness of competition and raise costs

PERFORMANCE
VEHICLES / PARTS / RACING

*Unless specifically noted to the contrary herein, vehicles equipped with Chevrolet Performance parts that are emissions-related may not meet U.S., Canadian, and state and provincial laws and regulations relating to motor-vehicle emissions. These parts are designed and intended for use in vehicles operated exclusively for competition: in racing or organized competition on courses separate from public roads, streets, or highways. Visit www.chevroletperformance.com/emissions for more details.
